

Teamwork@State Coordinator

VIRTUAL STUDENT FEDERAL SERVICE

Project Title	Teamwork@State Coordinator
Project Summary	Help create a workforce that effectively communicates and collaborates across geographic and functional lines, using a common language and set of tools to manage the Department's increasingly complex work! You'll be solving complex issues through research, design, advising, and more.
Country	United States

Project Description

Teamwork@State offers toolkits and resources to foster more effective communication and collaboration within and across teams. Each toolkit includes simple, intuitive, and readily-accessible tools that are based on private sector management practices, now tailored to the culture of our organization. You'll work on creating new tools, messaging about toolkits, conducting research on effective management and operations, write cables and blog posts, track project successes, and more.
